Item 1.01 Entry into a Material Definitive Agreement.

On May 12, 2021, AutoWeb, Inc., a Delaware corporation (“**AutoWeb**” or “**Company**”) entered into a Tax Benefit Preservation Plan Exemption Agreement (“**Exemption Agreement**”) with Global Value Investment Corp., a Delaware corporation (“**Requesting Person**”).

Tax Benefit Preservation Plan

As previously reported, effective as of May 26, 2010, the Company adopted a Tax Benefit Preservation Plan, which plan was amended by Amendment No. 1 to Tax Benefit Preservation Plan dated as of April 14, 2014, Amendment No. 2 to Tax Benefit Preservation Plan dated April 13, 2017, and Amendment No. 3 dated as of March 31, 2020, and the number of rights thereunder adjusted by that Certificate of Adjustment dated as of July 12, 2012 (the original plan, as amended and adjusted, is collectively referred to herein as the “**Plan**”). The Board of Directors of the Company (“**Board**”) adopted the Plan to protect stockholder value by preserving important tax assets. The Company has generated substantial net operating loss carryovers and other tax attributes for United States federal income tax purposes (“**Tax Benefits**”) that can generally be used to offset future taxable income and therefore reduce federal income tax obligations. However, the Company’s ability to use the Tax Benefits will be adversely affected if there is an “ownership change” of the Company as defined under Section 382 of the Internal Revenue Code (“**Section 382**”). In general, an ownership change will occur if the Company’s “5% **shareholders**” (as defined under Section 382) collectively increase their ownership in the Company by more than 50% over a rolling three-year period.

The Plan was adopted to reduce the likelihood that the Company’s use of its Tax Benefits could be substantially limited under Section 382. The Plan is intended to deter any “Person” (as defined in the Plan) from becoming an “**Acquiring Person**” (as defined in the Plan) and thereby jeopardizing the Company’s Tax Benefits. In general, an Acquiring Person is any Person, itself or together with all “**Affiliates**” (as defined in the Plan) of such Person, that becomes the “**Beneficial Owner**” (as defined in the Plan) of 4.9% or more of the Company’s outstanding “**Common Stock**” (as defined in the Plan). Under the Plan, the Board may, in its sole discretion, exempt any person from being deemed an Acquiring Person for purposes of the Plan if the Board determines that such person’s ownership of Common Stock will not be likely to directly or indirectly limit the availability of the Company’s Tax Benefits or is otherwise in the best interests of the Company (“**Plan Exemption**”). The Board does not have any obligation, implied or otherwise, to grant any Plan Exemptions.

The foregoing description of the Plan does not purport to be complete and is qualified in its entirety by reference to the Tax Benefit Preservation Plan dated as of May 26, 2010, by and between Company and Computershare Trust Company, N.A., as rights agent, together with the following exhibits thereto: Exhibit A – Form of Right Certificate; and Exhibit B – Summary of Rights to Purchase Shares of Preferred Stock of Company, incorporated by reference to Exhibit 4.1 to the Current Report on Form 8-K filed with the SEC on June 2, 2010 (SEC File No. 000-22239); Amendment No. 1 to Tax Benefit Preservation Plan dated as of April 14, 2014, between Company and Computershare Trust Company, N.A., as rights agent, incorporated by reference to Exhibit 4.1 to the Current Report on Form 8-K filed with the SEC on April 16, 2014 (SEC File No. 001-34761); Amendment No. 2 to Tax Benefit Preservation Plan dated as of April 13, 2017, between Company and Computershare Trust Company, N.A., as rights agent, incorporated by reference to Exhibit 4.1 to the Current Report on Form 8-K filed with the SEC on April 14, 2017 (SEC File No. 001-34761); Amendment No. 3 to Tax Benefit Preservation Plan dated as of March 31, 2020, between Company and Computershare Trust Company, N.A., as rights agent, incorporated by reference to Exhibit 4.1 to the Current Report on Form 8-K filed with the SEC on April 2, 2020 (SEC File No. 001-34761); Certificate of Adjustment Under Section 11(m) of the Tax Benefit Preservation Plan, incorporated by reference to Exhibit 4.3 to the Quarterly Report on Form 10-Q for the Quarterly Period ended September 30, 2012 filed with the SEC on November 8, 2012 (SEC File No. 001-34761).

Summary Description of the Exemption Agreement

The Requesting Person informed the Company that as of May 12, 2021 (“**Exemption Agreement Effective Date**”), the Requesting Person, together with all of its Affiliates and Associates, beneficially owned 630,853 shares of Common Stock, or approximately 4.7% of the Company’s outstanding Common Stock, as of that date (“**Current Beneficially Owned Shares**”). The Requesting Person also informed the Company that if permitted to do so under the Plan, the Requesting Person would be interested in acquiring Additional Beneficially Owned Shares (as defined below) of Common Stock in excess of the Current Beneficially Owned Shares. The Requesting Person requested that the Board consider exercising its discretionary authority under the Plan to deem the Requesting Person and its Affiliates not to be an Acquiring Person and to grant a Plan Exemption for the Requesting Person and its Affiliates to acquire Beneficial Ownership of Additional Beneficially Owned Shares of Common Stock in excess of the Current Beneficially Owned Shares.

The Board considered the Requesting Person's request and granted a Plan Exemption to acquire shares of Common Stock in excess of the Current Beneficially Owned Shares provided that the aggregate number of shares of Common Stock Beneficially Owned by the Requesting Person, any other Requesting Persons (as defined below) that may become a party to the Exemption Agreement in accordance with the terms thereof and their respective Affiliates and Associates does not collectively exceed 875,281 shares of Common Stock, representing approximately 6.5% of the Company's outstanding shares of Common Stock as of the Exemption Agreement Effective Date, subject to and in reliance upon the Requesting Person and any other such Requesting Persons entering into and remaining in compliance with the terms and conditions set forth in the Exemption Agreement.

Under the Exemption Agreement, the Requesting Person, any other persons that may become a party to the Exemption Agreement pursuant to the terms thereof, and their respective Affiliates (collectively, "**Requesting Persons**") agreed that at any meeting (whether annual or special and whether or not an adjourned or postponed meeting) of the stockholders of the Company, and in any action by written consent of the stockholders of the Company, the Requesting Persons shall (i) appear at the meeting or otherwise cause any and all of the portion of Shares (as defined in the Exemption Agreement) that exceeds the number of shares of Common Stock that equals (1) the number of shares of Common Stock that equals 4.9% of the shares of Common Stock outstanding as of the Exemption Agreement Effective Date minus (2) one (1) share of Common Stock ("**Exemption Shares**") to be counted as present thereat for purposes of establishing a quorum; (ii) vote (or cause to be voted) any and all Exemption Shares the same proportion (for or against) as the shares actually voted for or against such matters by the stockholders of the Company, other than the Requesting Persons and their respective Affiliates; and (iii) granted representatives of the Company an irrevocable proxy ("**Irrevocable Proxy**") to vote the Exemption Shares in accordance with the foregoing instructions. The Requesting Persons further agreed not to enter into any proxy, agreement or understanding with any person or entity the effect of which would be materially inconsistent with or violative of any provision contained herein.

In addition to the foregoing voting agreement and proxies, the Requesting Persons agreed that they will not, in any manner, directly or indirectly, (except: (i) pursuant to a negotiated transaction approved by the Board; or (ii) as may otherwise be approved by the Board):

- make, effect, initiate, cause or participate in (i) any acquisition of Beneficial Ownership of any securities of the Company or any securities of any Subsidiary (as defined in the Plan) or other Affiliate or Associate (as defined in the Plan) of the Company (except as such transfers between Requesting Persons in compliance with Section 2.2 of the Exemption Agreement), (ii) any Company Acquisition Transaction (as defined in the Exemption Agreement), or (iii) any "solicitation" of "proxies" (as those terms are defined in Rule 14a-1 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended) or consents with respect to any securities of the Company, or take any action which might force the Company to make a public announcement regarding any of these types of matters;
 - nominate or seek to nominate any person to the Board or otherwise act, alone or in concert with others, to seek to control or influence the management, Board or policies of the Company; *provided* that a Requesting Person may seek privately with the Board or the Company's Chief Executive Officer to influence the decisions made by the existing management or Board in a manner (1) that is not disclosed publicly and (2) would not force the Company to make a public announcement regarding such attempts to influence the decisions of existing Company management or the Board;
 - request or propose that the Company (or its directors, officers, employees or agents), directly or indirectly, amend or waive any provision of these standstill provisions of the Exemption Agreement unless such request or proposal is made privately to the Board in a manner (1) that is not disclosed publicly and (2) that would not force the Company to make a public announcement regarding such request or proposal;
 - agree or offer to take, or encourage or propose (publicly or otherwise) the taking of, any action referred to in these standstill provisions of the Exemption Agreement;
 - assist, induce or encourage any other Person to take any action referred to in these standstill provisions of the Exemption Agreement; or
 - enter into any discussions or arrangements with any third party with respect to the taking of any action referred to in these standstill provisions of the Exemption Agreement.
-

The Exemption Agreement allows the Requesting Persons as a group to acquire Beneficial Ownership of additional shares of Common Stock (“**Additional Beneficially Owned Shares**”) as long as (i) the collective Beneficial Ownership of the Requesting Persons and their respective Affiliates and Associates does not exceed 875,281 shares of Common Stock (which number of shares represents approximately 6.5% of the Company’s outstanding Common Stock as of the Exemption Agreement Effective Date); (ii) the Requesting Persons are in compliance with all of the provisions of the Exemption Agreement as of the acquisition date of any Additional Beneficially Owned Shares; (iii) the representations and warranties of the Requesting Persons in the Exemption Agreement shall be true, accurate and complete as if made as of the date of any such acquisition of Additional Beneficially Owned Shares; (iv) the acquisition of Additional Beneficially Owned Shares would not result in any Person who is not a Requesting Person or any Affiliate or Associate of a Requesting Person, individually or collectively, constituting a 5% shareholder under Section 382; and (v) the acquisition of the Additional Beneficially Owned Shares is completed within 120 days of the Exemption Agreement Effective Date.

The Exemption Agreement will remain in effect until the earliest to occur of the following (as a result of which the Exemption Agreement shall immediately terminate) (i) at any time by written consent of each of the Requesting Persons and the Company; (ii) automatically upon the termination of the Plan whether by the Board or upon its own terms, unless a substitute or successor tax benefit preservation or other stockholder rights plan is implemented, in which case the Exemption Agreement shall not terminate; (iii) automatically without any further action by the parties hereto, at such time as the Requesting Persons (together with their respective Affiliates and Associates) collectively Beneficially Own less than 4.9% of the Company’s then outstanding shares of Common Stock.

The foregoing description of the Exemption Agreement and Irrevocable Proxy does not purport to be complete and is qualified in its entirety by reference to the full text of the Exemption Agreement and the Irrevocable Proxy, which are filed with this Current Report on Form 8-K as Exhibits 10.1 and 10.2, respectively, and incorporated herein by reference.

Tax Benefit Preservation Plan Exemption Agreement

This Tax Benefit Preservation Plan Exemption Agreement (“**Agreement**”) is made and entered into on and as of May 12, 2021 (“**Effective Date**”), by and between AutoWeb, Inc., a Delaware corporation (“**Company**”), and each of the Requesting Persons (as such term is defined below).

Background Facts

Effective as of May 26, 2010, the Company adopted a Tax Benefit Preservation Plan, which plan was amended by Amendment No. 1 to Tax Benefit Preservation Plan dated as of April 14, 2014, Amendment No. 2 to Tax Benefit Preservation Plan dated as of April 13, 2017, and Amendment No. 3 dated as of March 31, 2020, and with the rights thereunder adjusted by that Certificate of Adjustment dated as of July 12, 2012 (the original plan, as amended and adjusted, is collectively referred to herein as the “**Plan**”; capitalized terms used but not otherwise defined herein shall have the definitions given in the Plan). The Board of Directors of the Company (“**Board**”) adopted the Plan to protect stockholder value by preserving important tax assets. The Company has generated substantial net operating loss carryovers and other tax attributes for United States federal income tax purposes (“**Tax Benefits**”) that can generally be used to offset future taxable income and therefore reduce federal income tax obligations. However, the Company’s ability to use the Tax Benefits will be adversely affected if there is an “ownership change” of the Company as defined under Section 382 of the Internal Revenue Code (“**Section 382**”). In general, an ownership change will occur if the Company’s Section 382 5% Shareholders (as defined below) collectively increase their ownership in the Company by more than 50% over a rolling three-year period. The Plan was adopted to reduce the likelihood that the Company’s use of its Tax Benefits could be substantially limited under Section 382. The Plan is intended to deter any Person from becoming an Acquiring Person and thereby jeopardizing the Company’s Tax Benefits. In general, an Acquiring Person is any Person, itself or together with all Affiliates of such Person, that becomes the Beneficial Owner of 4.9% or more of the Company’s outstanding Common Stock. Under the Plan, the Board may, in its sole discretion, exempt any person from being deemed an Acquiring Person for purposes of the Plan if the Board determines that such person’s ownership of Common Stock will not be likely to directly or indirectly limit the availability of the Company’s Tax Benefits or is otherwise in the best interests of the Company. The Board shall not have any obligation, implied or otherwise, to grant such an exemption.

The Initial Requesting Persons (as defined below) have informed the Company that as of the Effective Date, the Initial Requesting Persons, together with all of their respective Affiliates and Associates, Beneficially Own the Current Beneficially Owned Shares. In the Plan Exemption Request Letter, the Initial Requesting Persons have requested that the Initial Requesting Persons be considered for a Plan Exemption to acquire Beneficial Ownership of additional shares of Common Stock.

The Board has considered the Initial Requesting Persons’ request and is prepared to grant the Requesting Persons a Plan Exemption pursuant to this Agreement to acquire shares of Common Stock in excess of the Current Beneficially Owned Shares, provided that the aggregate number of shares of Common Stock Beneficially Owned by the Requesting Persons and any of their respective Affiliates and Associates does not collectively exceed the Plan Exemption Limit at the time of the acquisition of Beneficial Ownership of the additional shares of Common Stock, subject to and in reliance upon the Requesting Persons entering into this Agreement and the Requesting Persons and their respective Affiliates and Associates remaining in compliance with the terms and conditions set forth in this Agreement.

In consideration of the representations, warranties, covenants and agreements set forth in this Agreement, and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties hereby agree as follows:

(ii) nominate or seek to nominate any person to the Board or otherwise act, alone or in concert with others, to seek to control or influence the management, Board or policies of the Company; *provided* that a Requesting Person may seek privately with the Board or the Company’s Chief Executive Officer to influence the decisions made by the existing management or Board of the Company in a manner (1) that is not disclosed publicly and (2) that would not force the Company to make a public announcement regarding such attempts to influence the decisions of existing management or the Board.

(iv) request or propose that the Company (or its directors, officers, employees or agents), directly or indirectly, amend or waive any provision of this Section 2.1, including this subsection 2.1(iv), unless such request or proposal is made privately to the Board in a manner (1) that is not disclosed publicly and (2) that would not force the Company to make a public announcement regarding such request or proposal;

(vii) enter into any discussions or arrangements with any third party with respect to the taking of any action referred to in clauses (i), (ii), (iii) or (iv) of this Section 2.1.

(b) Notwithstanding the foregoing provisions of Section 2.1(a), the Requesting Persons and their respective Affiliates and Associates may from time to time in one or more transactions acquire Beneficial Ownership of additional shares of Common Stock (“**Additional Beneficially Owned Shares**”) in excess of the Current Beneficially Owned Shares, provided that (i) the collective Beneficial Ownership of Requesting Persons and their respective Affiliates and Associates does not exceed the Plan Exemption Limit at the time of the acquisition of Beneficial Ownership of Additional Beneficially Owned Shares; (ii) Requesting Persons and their respective Affiliates and Associates are in compliance with all of the provisions of this Agreement as of the acquisition date of any Additional Beneficially Owned Shares; (iii) the representations and warranties of Requesting Persons and their respective Affiliates and Associates in this Agreement shall be true, accurate and complete as if made as of the date of any such acquisition of Additional Shares; (iv) the acquisition of Additional Shares would not result in any Person who is not the Requesting Persons and their respective Affiliates and Associates, individually or collectively, constituting a Section 382 5% Shareholder; and (v) the acquisition of the Additional Beneficially Owned Shares is completed prior to the Additional Beneficially Owned Shares Acquisition Window Expiration Date. Additional Beneficially Owned Shares may not be acquired after the Additional Beneficially Owned Shares Acquisition Window Expiration Date. Any acquisition of additional shares of Common Stock by the Requesting Persons or their respective Affiliates or Associates (i) will not be made with the purpose or the effect of changing or influencing the control of the Company, and (ii) will not be made in connection with (and neither Requesting Person nor any of their respective Affiliates and Associates will be a participant in) any transaction having such purpose or effect.

(c) The Requesting Persons and their respective Affiliates and Associates shall not be required to divest shares of Common Stock solely as the result of any decrease in the number of issued and outstanding shares of Common Stock (including by reason of any reverse stock split or repurchase and retirement of shares of Common Stock), even if such change causes Requesting Persons and their respective Affiliates and Associates to Beneficially Own shares of Common Stock in excess of the Plan Exemption Limit (either individually or in the aggregate).

2.2 **Section 382 Compliance.** Unless and until this Agreement is terminated pursuant to Section 6.2, no direct or indirect transfers of shares of Common Stock between and among Requesting Persons and their respective Affiliates and Associates shall be permitted if, as a result of any such transfer, any Requesting Person or any of their respective Affiliates and Associates shall become the Beneficial Owner of shares of Common Stock in an amount that would result in such Person being a Section 382 5% Shareholder of the Company.

2.3 **Transfers of Common Stock.** Unless and until this Agreement is terminated pursuant to Section 6.2, no Requesting Person nor any Requesting Person’s Affiliates and Associates will sell or otherwise transfer any Beneficial Ownership in any shares of Common Stock to any Person not a party to this Agreement except:

(i) in open market transactions on The Nasdaq Capital Market or on such principal stock exchange as the Common Stock is then listed for trading; or if the Common Stock is not listed on any stock exchange at the time, then in transactions effected through trading on an inter-dealer quotation system if the Common Stock is then quoted on such a system, and if not, then through trading on over-the-counter bulletin boards or “pink sheets;” or

(ii) in private transactions and only if any such private transaction is not to any Person or Group that the Requesting Persons or their respective Affiliates and Associates reasonably believes after due inquiry Beneficially Owns or as a result of such transaction would Beneficially Own 4.9% or more of the Company's then outstanding Common Stock.

2.4 **Grant of Plan Exemption.** Subject to and in reliance upon the representations, warranties and obligations of the Requesting Persons under this Agreement and in accordance with the terms and conditions of this Agreement, the Board has granted the Initial Requesting Persons a Plan Exemption. As long as the Requesting Persons and their respective Affiliates and Associates remain in full compliance with this Agreement, the Company shall maintain the Plan Exemption in effect. The Plan Exemption granted by the Board shall continue for only so long as the Requesting Persons and their respective Affiliates and Associates are in compliance with the terms of this Agreement. If the Requesting Persons and their respective Affiliates and Associates violate any provision herein, then the Board shall have the right, in its sole discretion, to revoke the Plan Exemption, upon which the Requesting Persons and their respective Affiliates and Associates shall be an Acquiring Person as defined in and for purposes of the Plan if the Requesting Persons and their respective Affiliates and Associates otherwise meets the requirements to be deemed an Acquiring Person at such time.

2.5 **Exchange Act Filings.** In the event that any Requesting Person or any Requesting Person's Affiliates and Associates files any schedule, form or report under (i) Section 13 of the Exchange Act with the SEC indicating that such Person is the beneficial owner (as the term "beneficial ownership" is defined by Rule 13d-3 promulgated under the Exchange Act) of more than five percent (5%) of the outstanding Common Stock or (ii) Section 16 of the Exchange Act with the SEC indicating that such Person is the beneficial owner (as the term "beneficial ownership" is defined by Rule 13d-3 promulgated under the Exchange Act) of more than ten percent (10%) of the outstanding Common Stock, the Requesting Persons and their respective Affiliates and Associates agree to cooperate with the Company upon the Company's reasonable request for information from the Requesting Persons and their respective Affiliates and Associates regarding the beneficial ownership structure and interest percentage in Common Stock held by the Requesting Persons and their respective Affiliates and Associates.

2.6 **Additional Beneficially Owned Shares and Additional Requesting Persons.**

(a) Any shares of Common Stock Beneficially Owned by the Requesting Persons and their respective Affiliates and Associates, the Beneficial Ownership of which was acquired on or after the Effective Date and before the termination of this Agreement pursuant to Section 6.2, shall be subject to the terms and conditions of this Agreement to the same extent as if they constituted Beneficially Owned Shares as of the Effective Date.

(b) If, during the period commencing on the Effective Date and continuing until this Agreement terminates pursuant to Section 6.2, any Affiliate or Associate of a Requesting Person who is not already a holder of Current Beneficially Owned Shares as of the Effective Date and a party to this Agreement acquires Beneficial Ownership of shares of Common Stock, then the Requesting Persons and their respective Affiliates and Associates of which the Person is an Affiliate or Associate shall cause the Person to become a party to this Agreement and agree to be bound by and subject to the terms and conditions of this Agreement as a Requesting Person by executing and delivering a joinder and counterpart signature page hereto and an Irrevocable Proxy.

2.7 **Reporting of Changes in Beneficial Ownership.** Within five (5) days after the Additional Beneficially Owned Shares Acquisition Window Expiration Date and thereafter within five (5) days after the end of any month in which a change in Beneficially Owned Shares occurs, or at such other times as the Company may request, the Requesting Persons will deliver to the Company a description of the changes in Beneficially Owned Shares and the then-current Beneficial Ownership of shares of Common Stock by the Requesting Persons and their Affiliates and Associates, accompanied by an updated Beneficial Ownership Schedule reflecting such new Beneficial Ownership. In addition, at any time the Requesting Persons and their respective Affiliates and Associates collectively Beneficially Own less than 4.9% of the then-outstanding shares of Common Stock, the Requesting Persons will deliver to the Company a certification executed by the Requesting Persons, certifying that the Requesting Persons and their respective Affiliates and Associates collectively Beneficially Own less than 4.9% of the then-outstanding shares of Common Stock.

Article III
Voting of Exemption Shares

3.1 **Agreement to Vote Exemption Shares.**

(a) The Requesting Persons, on their own behalf and on behalf of their respective Affiliates and Associates, hereby covenant and agree, jointly and severally, that during the period commencing on the date hereof and continuing until this Agreement terminates pursuant to Section 6.2, at any meeting (whether annual or special and whether or not an adjourned or postponed meeting) of the stockholders of the Company, and in any action by written consent of the stockholders of the Company, the Requesting Persons and their respective Affiliates and Associates shall (i) appear at the meeting or otherwise cause any and all Exemption Shares to be counted as present thereat for purposes of establishing a quorum, and (ii) vote (or cause to be voted) any and all Exemption Shares with respect to any matter at any meeting (whether annual or special and whether or not an adjourned or postponed meeting) of stockholders of the Company, and in any action by written consent of the stockholders of the Company, in the same proportion (for or against) as the shares actually voted for or against such matter by the stockholders of the Company other than the Requesting Persons and their respective Affiliates and Associates. The Requesting Persons and their respective Affiliates and Associates hereby further agree not to enter into any proxy, agreement or understanding with any person or entity the effect of which would be materially inconsistent with or violative of any provision contained in this Section 3.1.

(b) The parties acknowledge that the Requesting Persons and their respective Affiliates and Associates may grant a proxy or enter into an agreement or understanding with another Requesting Person for the purposes of voting shares of Common Stock as long as (i) the shares that are the subject of any such proxy, agreement or understanding are voted in compliance with the provisions of this Section 3.1 and 3.2; (ii) any such proxy, agreement or understanding will not have the effect of superseding or revoking the Irrevocable Proxy granted by the Requesting Persons and their respective Affiliates and Associates under Section 3.2 and shall be subject and subordinate to the exercise of such proxy pursuant to Section 3.2; and (iii) the granting of such proxy or entering into such an agreement or understanding would not result in any Requesting Person other than the Initial Requesting Persons being a Section 382 5% Shareholder of the Company.

3.2 **Irrevocable Proxy.** Concurrently with the execution of this Agreement, each of the Initial Requesting Persons have delivered to the Company an Irrevocable Proxy, which shall be irrevocable to the fullest extent permissible by law, with respect to the Exemption Shares, subject to the other terms of this Agreement. The Proxyholders (as defined in the Irrevocable Proxy) shall be entitled to exercise the rights granted to them in the Irrevocable Proxy in order to vote the Exemption Shares in the event and to the extent that the Requesting Persons and their respective Affiliates and Associates fail to vote the Exemption Shares in accordance with Section 3.1. The Requesting Persons and their respective Affiliates and Associates represents, covenant and agree that, except for (i) the Irrevocable Proxy granted pursuant to the foregoing provisions of this Section 3.2; (ii) any proxy granted by the Requesting Persons and their respective Affiliates and Associates to another Requesting Person in compliance with Section 3.1(b); (iii) any proxy or other voting agreement or understanding granted or entered into by the Requesting Persons or their respective Affiliates and Associates to or with the Company's Board, the Company or any officer thereof; (iv) any proxy or other voting agreement or understanding granted or entered into by the Requesting Persons or their respective Affiliates and Associates with the approval of the Board; or (v) as contemplated by this Agreement: (1) neither the Requesting Persons nor any of their respective Affiliates and Associates shall, during the period commencing on the Effective Date and continuing until this Agreement terminates pursuant to Section 6.2, grant any proxy or power of attorney, or deposit any Shares into a voting trust or enter into a voting agreement or other voting arrangement, with respect to the voting of the Shares (each a "**Voting Proxy**"), and (2) neither the Requesting Persons nor their respective Affiliates and Associates has granted, entered into or otherwise created any Voting Proxy which is currently (or which will hereafter become) effective, and if any Voting Proxy has been created, such Voting Proxy is hereby revoked.

Article IV
Representations and Warranties of Requesting Persons

Each Requesting Person, upon becoming a party to this Agreement, hereby makes the following representations and warranties, severally and not jointly (except in the case of Sections 4.4, 4.5, 4.6, and 4.7, which representations and warranties are made jointly and severally by the Requesting Persons):

4.1 **Authority; Validity.** The Requesting Person has all requisite capacity, power and authority to enter into this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement by the Requesting Person and the consummation by the Requesting Person of the transactions contemplated hereby have been duly and validly authorized by all necessary action on the part of the Requesting Person. This Agreement has been duly executed and delivered by the Requesting Person. If this Agreement is being executed in a representative or fiduciary capacity with respect to the Requesting Person, the person signing this Agreement has full power and authority to enter into and perform this Agreement.

4.2 **Non-Contravention.** The execution, delivery and performance of this Agreement does not, and the consummation of the transactions contemplated hereby and compliance with the provisions hereof will not, contravene, conflict with, or result in any violation of, breach of, or default by (with or without notice or lapse of time, or both) the Requesting Person under, or give rise to a right of termination, cancellation or acceleration of any obligation under, or result in the creation of any encumbrance upon any of the properties or assets of the Requesting Person or of any of the Requesting Person's Affiliates or Associates under, any provision of (i) any loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, instrument, permit, concession, franchise or license applicable to the Requesting Person or any of the Requesting Person's Affiliates or Associates or to which the Requesting Person or any of the Requesting Person's Affiliates or Associates is a party, or (ii) any judgment, order, decree, statute, law, ordinance, injunction, rule or regulation applicable to the Requesting Person or any of the Requesting Person's Affiliates or Associates or any of a Requesting Person's or any of the such Requesting Person's Affiliates or Associates' properties or assets, other than any such conflicts, violations, defaults, rights, or encumbrances that, individually or in the aggregate, would not impair the ability of the Requesting Person or any of the Requesting Person's Affiliates or Associates to perform the Requesting Person's or any of the Requesting Person's Affiliates or Associates' obligations hereunder or prevent, limit or restrict in any respect the consummation of any of the transactions contemplated hereby.

4.3 **Litigation.** As of the date hereof, there is no action pending, or to the knowledge of any Requesting Person or any of the Requesting Person's Affiliates or Associates, threatened with respect to the Requesting Person's or the Requesting Person's Affiliates' or Associates' ownership of shares of Common Stock, nor is there any judgment, decree, injunction or order of any applicable governmental entity or arbitrator outstanding which would prevent the carrying out by the Requesting Person and the Requesting Person's Affiliates or Associates of their respective obligations under this Agreement or any of the transactions contemplated hereby, declare unlawful the transactions contemplated hereby or cause such transactions to be rescinded.

4.4 **Beneficial Ownership.** As of the Effective Date, the number of shares of Common Stock set forth on the Beneficial Ownership Schedule are the only shares of Common Stock Beneficially Owned by the Requesting Persons or any of their respective Affiliates or Associates. On and as of the Effective Date, the shares of Common Stock listed on the Beneficial Ownership Schedule are free and clear of any encumbrances that, individually or in the aggregate, would impair the ability of the Requesting Persons and their respective Affiliates and Associates to perform their respective obligations under this Agreement or prevent, limit or restrict in any respect the consummation of any of the transactions contemplated hereby. Neither Requesting Person nor any Affiliate or Associate of either Requesting Person Beneficially Owns 4.9% or more of the outstanding Common Stock of the Company for purposes of Section 382 as of the Effective Date, and no investor in, or beneficial owner of, either Requesting Person or in any Affiliate or Associate of either Requesting Person, on a look-through basis for purposes of Section 382, Beneficially Owns 4.9% or more of the outstanding shares of Common Stock as of the Effective Date.

4.5 **Acquisition of Shares.** The Current Beneficially Owned Shares were not acquired for the purpose or with the intention of causing the Requesting Persons or any of their respective Affiliates or Associates (whether collectively or individually) to become an Acquiring Person.

4.6 **Reliance.** The Requesting Persons and their respective Affiliates and Associates acknowledge that the Company is relying on truth and accuracy of the statements, representations, warranties, covenants and information contained herein and in the Plan Exemption Request Letter for purposes of granting the Plan Exemption set forth in this Agreement.

4.7 **No Influence or Control.** The Requesting Persons and their respective Affiliates and Associates: (i) have acquired the Current Beneficially Owned Shares in the ordinary course of their respective businesses, (ii) as of the Effective Date, do not Beneficially Own the Current Beneficially Owned Shares with the purpose or the effect of changing or influencing the control of the Company (except to the extent permitted by Section 2.1(a)(ii) of this Agreement), and (iii) as of the Effective Date, do not Beneficially Own the Current Beneficially Owned Shares in connection with or as a participant in any transaction having such purpose or effect. As of the Effective Date, the Requesting Persons and their respective Affiliates and Associates collectively represent that the Requesting Persons and their respective Affiliates and Associates do not have any knowledge that any third party is currently engaged in undertaking, or has any intention or plan to undertake, a Company Acquisition Transaction.

Article V Representations and Warranties of the Company

The Company represents and warrants to the Requesting Persons that:

5.1 **Authority; Validity.** The Company has all requisite capacity, power and authority to enter into this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly and validly authorized by all necessary action on the part of the Company. This Agreement has been duly executed and delivered by the Company. If this Agreement is being executed in a representative or fiduciary capacity with respect to the Company, the person signing this Agreement has full power and authority to enter into and perform this Agreement.

5.2 **Non-Contravention.** The execution, delivery and performance of this Agreement does not, and the consummation of the transactions contemplated hereby and compliance with the provisions hereof will not, (i) require the Company to obtain the consent or approval of any governmental entity, (ii) require the consent or approval of any other person pursuant to any agreement, obligation or instrument binding on the Company or its properties and assets, (iii) conflict with or violate any organizational document or law, rule, regulation, order, judgment or decree applicable to the Company or pursuant to which any of its assets are bound, or (iv) violate any other material agreement to which the Company or any of its subsidiaries is a party.

Article VI Effectiveness; Termination; Survival

6.1 **Effectiveness.** This Agreement shall become effective upon its execution by each of the Requesting Persons and the Company.

6.2 **Termination.** This Agreement, and the obligations of the Requesting Persons and their respective Affiliates and Associates hereunder, including, without limitation, the Requesting Persons' and their respective Affiliates' and Associates' obligations under Article II and Article III shall terminate: (i) at any time by written consent of the Requesting Persons and the Company, (ii) automatically upon the termination of the Plan, whether by the Board or upon its own terms, unless a substitute or successor tax benefit preservation or other stockholder rights plan is implemented, in which case this Agreement shall not terminate, and (iii) automatically without any further action by the parties hereto, at such time as the Requesting Persons and their respective Affiliates and Associates (together with their respective Affiliates and Associates) collectively Beneficially Own less than 4.9% of the then-outstanding shares of Common Stock.

6.3 **New Exemption Agreements.** In the event that this Agreement is terminated in accordance with Section 6.2 and the Requesting Persons or any of their respective Affiliates and Associates (whether collectively or individually) are again deemed to Beneficially Own 4.9% or more of the outstanding shares of Common Stock, then, should the Board again exercise its discretionary authority under the Plan to grant the Requesting Persons or any of their respective Affiliates and Associates another Plan Exemption (which the Board is not obligated to grant), the Requesting Persons and their respective Affiliates and Associates (to the extent they Beneficially Own Shares at that time) agree (and agree to compel their respective Affiliates and Associates, as applicable) to enter into an exemption agreement with the Company on substantially the same terms as set forth herein. In addition, to the extent that the Plan is terminated (whether by the Board or upon its own terms) and replaced by a new tax benefit preservation or stockholder rights plan, then, at the request of the Company, the Requesting Persons and their respective Affiliates and Associates agree (and agree to compel their respective Affiliates and Associates, as applicable) to enter into a new exemption agreement on substantially the same terms as this Agreement should the Board again exercise its discretionary authority under a new plan to grant the Requesting Persons or any of their respective Affiliates and Associates another plan exemption (which the Board is not obligated to grant).

6.4 **Survival.** Section 6.3 and Article VII shall survive the termination of this Agreement for any reason.

Article VII General Provisions

7.1 **Entire Agreement.** This Agreement, including the Exhibits attached hereto, and the Irrevocable Proxy granted hereunder, all of which are hereby incorporated by reference, constitutes the complete and exclusive statement of agreement between the parties with respect to the subject matter hereof and supersede any and all prior negotiations, correspondence, agreements, communications, understandings, duties or obligations of any kind by and between the parties, whether written or oral, respecting the subject matter hereof.

7.2 **Amendments and Waivers.** This Agreement may be amended, modified, superseded, or cancelled, and the terms and conditions hereof may be waived, only by a written instrument signed by the parties hereto or, in the case of a waiver, by the party waiving compliance. No delay on the part of any party in exercising any right, power, or privilege hereunder will operate as a waiver thereof, nor will any waiver on the part of any party of any right hereunder, nor any single or partial exercise of any rights hereunder, preclude any other or further exercise thereof or the exercise of any other right hereunder.

7.3 **Assignment.** No party may assign or otherwise transfer or delegate this Agreement or any of a party's rights, duties or obligations under this Agreement to another person or entity without the prior written consent of the other parties. Notwithstanding the foregoing, this Agreement may be assigned or transferred by the Company to any person or entity that succeeds the Company by operation of law or that controls, is controlled by or is under common control of the Company without the consent of the other parties. Nothing herein will prohibit or restrict a change of control of the Company or any person or entity controlling, controlled by or under common control with the Company or require the consent of the other parties to any assignment or transfer of this Agreement in connection with any change of control. This Agreement will be binding on and inure to the benefit of each party hereto and to each party's respective permitted successors and assigns.

7.4 **Notices.** Any notice required or permitted under this Agreement will be considered to be effective in the case of (i) certified mail, when sent postage prepaid and addressed to the party for whom it is intended at its address of record, three (3) days after deposit in the mail; (ii) by courier or messenger service, upon receipt by recipient as indicated on the courier's receipt; or (iii) upon receipt of an Electronic Transmission by the party that is the intended recipient of the Electronic Transmission. The record addresses, facsimile numbers of record, and electronic mail addresses of record for the parties are set forth on the signature page to this Agreement and may be changed from time to time by notice from the changing party to the other party pursuant to the provisions of this Section 7.4.

7.5 **Public Disclosures.** Except as may be required, as determined in good faith by the disclosing party, by applicable law, rules, regulations or orders or the rules of any securities exchange or market, neither party will make any public statement or release concerning this Agreement or any of the transactions contemplated by this Agreement, except for such written information as has been approved in advance in writing as to form and content by the other party, which approval will not be unreasonably withheld. Notwithstanding the foregoing, neither party shall have the right to review or approve any filings or furnished disclosure or other public disclosures that the other party determines in good faith are reasonably required to be made (i) with the SEC, any other governmental agency, or any securities exchange or market or (ii) by means of a press release, website postings or other publicly available means of distribution.

7.6 **Further Assurances.** Subject to the terms of this Agreement, from time to time, the Requesting Persons and their respective Affiliates and Associates shall execute and deliver such additional documents and use commercially reasonable efforts to take, or cause to be taken, all such further actions, and to do or cause to be done, all things reasonably necessary, proper or advisable under applicable laws and regulations to consummate and make effective the transactions contemplated by this Agreement.

7.7 **Choice of Law.** This Agreement, its construction and the determination of any rights, duties or remedies of the parties arising out of or relating to this Agreement will be governed by, enforced under and construed in accordance with the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws of such state.

7.9 **Severability.** Each term, covenant, condition, or provision of this Agreement will be viewed as separate and distinct, and in the event that any such term, covenant, condition or provision will be deemed to be invalid or unenforceable, the arbitrator or court finding such invalidity or unenforceability will modify or reform this Agreement to give as much effect as possible to the terms and provisions of this Agreement. Any term or provision which cannot be so modified or reformed will be deleted and the remaining terms and provisions will continue in full force and effect.

7.10 **Interpretation.** Every provision of this Agreement is the result of full negotiations between the parties, both of whom have either been represented by counsel throughout or otherwise been given an opportunity to seek the aid of counsel. Each party hereto further agrees and acknowledges that it is sophisticated in legal affairs and has reviewed this Agreement in detail. Accordingly, no provision of this Agreement shall be construed in favor of or against any of the parties hereto by reason of the extent to which any such party or its counsel participated in the drafting thereof. Captions and headings of sections contained in this Agreement are for convenience only and shall not control the meaning, effect, or construction of this Agreement. Time periods used in this Agreement shall mean calendar periods unless otherwise expressly indicated.

7.11 **Dispute Resolution, Forum.**

(a) The parties consent to and agree that any dispute or claim arising hereunder shall be submitted to binding arbitration in New Castle County, Delaware, and conducted in accordance with the Judicial Arbitration and Mediation Service (“**JAMS**”) rules of practice then in effect or such other procedures as the parties may agree in writing, and the parties expressly waive any right they may otherwise have to cause any such action or proceeding to be brought or tried elsewhere. The parties hereunder further agree that (i) any request for arbitration shall be made in writing and must be made within a reasonable time after the claim, dispute or other matter in question has arisen; provided however, that in no event shall the demand for arbitration be made after the date that institution of legal or equitable proceedings based on such claim, dispute, or other matter would be barred by the applicable statute(s) of limitations; (ii) the appointed arbitrator must be a former or retired judge or attorney at law with at least ten (10) years’ experience in commercial matters; (iii) costs and fees of the arbitrator shall be borne by both parties equally, unless the arbitrator or arbitrators determine otherwise; (iv) depositions may be taken and other discovery may be obtained during such arbitration proceedings to the same extent as authorized in civil judicial proceedings; and (v) the award or decision of the arbitrator, which may include equitable relief, shall be final and judgment may be entered on such award in accordance with applicable law in any court having jurisdiction over the matter.

(b) TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(c) The parties acknowledge and agree that money damages may not be a sufficient remedy for a breach of certain provisions of the Agreement, including but not limited to Articles II and III, and accordingly, a non-breaching party may be entitled to specific performance and injunctive relief as remedies for such violation. Accordingly, notwithstanding the other provisions of this Section 7.11, the parties agree that a non-breaching party may seek relief in a court of competent jurisdiction for the purposes of seeking equitable relief hereunder, and that such remedies shall not be deemed to be exclusive remedies for a violation of the terms of the Agreement but shall be in addition to all other remedies available to the non-breaching party at law or in equity.

(d) In any action, arbitration, or other proceeding by which one party either seeks to enforce its rights under the Agreement, or seeks a declaration of any rights or obligations under the Agreement, the prevailing party will be entitled to reasonable attorneys fees, and subject to Section 7.11(a), reasonable costs and expenses incurred to resolve such dispute and to enforce any final judgment.

(e) No remedy conferred on either party by any of the specific provisions of this Agreement is intended to be exclusive of any other remedy, and each and every remedy will be cumulative and will be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. The election of one or more remedies by a party will not constitute a waiver of the right to pursue other available remedies.

7.12 **Counterparts.** This Agreement may be executed in counterparts, each of which will be deemed an original hereof and all of which together will constitute one and the same instrument.

7.13 **Facsimile, PDF or Electronic Signatures.** This Agreement may be executed by facsimile, PDF or by means of an electronic signature by either party and such signature shall be deemed binding for all purposes hereof, without delivery of an original signature being thereafter required.
